

CONSTRUCTION PROJECT SITE UPDATE

Last Updated: Monday, April 12, 2010

Project Name: Eastside Sidewalk Access Ramps

Contact Information:

City Project Manager: Amanda Flesse, Project Engineer

Phone: (805) 564-5424

E-mail: AFlesse@SantaBarbaraCA.gov

Contractor: Draper Construction

Phone: (805) 531-0054

Project Description:

The project consists of installing sidewalk access ramps at 7 intersections in the eastside neighborhood. This sidewalk improvement project also includes curbs, gutters sidewalk landscape improvements, conforms and retaining curbs. The completed project will enhance accessibility along this route of travel in conformance with the Americans with Disabilities Act (ADA).

The work will be completed at the intersection of Alisos at Cacique (2 ramps), Canada at Indio Muerto (4 ramps), Soledad at Carpinteria (2 ramps), Soledad at Indio Muerto (2 ramps), Salinas at Indio Muerto (2 ramps), Voluntario at Quinientos (1 ramps), and Salinas at Carpinteria (4 ramps).

Public Outreach

The Public Works department has continued to step up and inform the public of ongoing projects. Information on this project will be sent out to adjacent properties prior to construction. During the design of the project, City staff worked closely with private and City utilities to make sure their work is completed prior to our significant road restoration work.

Construction for this project will begin in April and will continue through the end of June 2010.
